

Uni für Alle e.V.

You want to study in Germany, but you do not fulfil the requirements (yet)? Interested in the **Guest Auditor Program** at **Freiburg University**?

Guest studies are open to everyone and an opportunity for **refugees** to get a first insight into the local university system! Guest studies are **no regular studies** (you are not officially enrolled) but you will be able to attend **lectures, seminars and courses** that are offered by the university.

An accompanying **Buddy-program with regular students** will help you to get started at the University! We also offer regular counselling to help you on your way to start a degree.

In order to learn more about our program, come to our information evening on **13.04.2017** at 6 pm in “**Konferenzraum 1**” at **Belfortstr. 24**, 79098 Freiburg.
